

# Baked Beans on Toast

1. Open beans

2. Place onto cooker hob

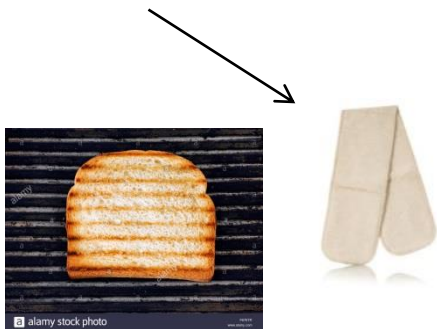

3. Turn dial to heat. Stir with a wooden spoon. Once beans start to bubble, turn cooker off.

4. Carefully place bread onto the grill tray

5. Put tray under grill. Using oven gloves check the bread every now and then.

6. Once the bread is brown on one side, turn it over with a fish slice.

Use oven gloves

7. Now place the

1. Toast

2. Butter

3. Beans

8. Wash up and tidy your kitchens before **eating**. Then wash your plate, knife and fork, dry them up and put away.
