

FAO Parents/Carers of Y4/Y8 children

Wimborne Academy Trust Schools

18 June 2020

### **Transition Arrangements for Year 4/Year 8 pupils**

Dear Parent/Carer

First let me thank you for your understanding, support and patience during these last few months of unprecedented disruption to your children's education.

I can confirm that this year's transition day scheduled for Friday 3rd July will not take place due to the ongoing situation with Covid-19.

Schools within the Trust are working hard to put alternative arrangements in place. First and middle schools will be in contact shortly.

We will be looking to try and offer additional transition for pupils entering Years 5, 9 and 12 in September once we know the government's plan for schools in the new academic year.

This is an important stage in your child's educational development and we will contact you shortly to confirm the new plans.

I know and understand what a difficult time this has been for you and your children. We are taking great care to make you children's transition between schools as straightforward as possible.

Our priority remains to provide the best education we can for your children and we appreciate your ongoing support with this.

I hope you and your families continue to remain safe and well.

Kind regards

Liz West
