11th November 2022

Dear Parent/Carers

I am delighted to be able to share with you a copy of our Ofsted Inspection Report. This report provides details of the outcomes of our inspection that was completed on 4th and 5th of October 2022. The report is due to be published on the Ofsted website on Monday 21st November and is already available to view on our school website.

We are thrilled that the report reflects that children are as proud of Lockyer's as we are of them! There is a great deal to celebrate: our ambitious curriculum, our provision for every child in our school as well as our wonderful reading programme. We have high expectations of pupils' learning and through our core values we strive to improve the life chances of all our pupils.

Of course, we will continue to work incredibly hard to improve our school and this will include giving careful consideration on how best to act upon our report's recommendations.

I would like to personally thank the staff and academy committee members for their dedication, professionalism and relentless hard work, all of which have led to Ofsted recognising our efforts and judging us to be a 'Good' school. I would also like to thank parents and carers and very much look forward to continuing to work in partnership with all members of our school community as we plan our next steps together.

Yours faithfully

Miss A. Dufek
Headteacher
