

Logging in to online resources.

We use various websites and learning resources in school that your child will find helpful while learning at home in the coming weeks.

As far as possible, I have listed the login username and password convention to help your child log in to these sites. They should also have their usernames and passwords written in their planners.

Google Classroom

www.google.co.uk

Username: First initial.surname@lockyers.org (**j.smith@lockyers.org**)

Password: usual password for logging on to a computer in IT lessons

Accelerated Reader

You **must** use the link below to access Accelerated Reader as it is specific to our school

<https://ukhosted24.renlearn.co.uk/2236753/default.aspx>
