

## KS3 English Homework, Autumn 2018

This term, *as well as learning any spellings you have been given*, your homework is to continue reading, developing your ability to select appropriate books and read at length. If you are not sure what might appeal to you, Mrs. Baldacchino in the library can help point you in the right direction, or you might wish to have a look at the lists on the school website. At this point in KS3, you need to ensure that you are reading books that are interesting, and slightly challenging to you.

Every week, you should read **fiction** for at least 20 minutes before filling in the sheet. Your best presentation is required, and we expect you to complete the sheet to a high standard. It must be signed by a responsible adult. **At the end of half-term, you will be required to produce a review of at least one page of one of the books you have read.**
